Subject: EP-W-10-011_06_RW_E300_A6JP/OU00_02_00257.02 - Inquiry Regarding CES Environmental Redactions
Date: Tuesday, December 23, 2014 10:47:13 AM

Hi Mr. Andrews,

While we were marking for redactions per your instructions, we came across some pages labeled "CES Environmental Services, Inc. Profit & Loss Sheet."

Would you like for us to redact the page in its entirety, or was there specific information you would like for us to mark for redaction? Additionally, would this be for personal privacy or CBI?

Below is a hyperlink to one of the documents in question, page 6 is an example of what we are inquiring about.
